- Highlighting Space Qualified and Cryogenic Products

XMA is looking forward to seeing you in Long Beach, CA for 2021's Space Tech Expo! You can find Marc, our President and CEO, and Del, our Sales Engineer, greeting customers and introducing products at Booth 3016. As first time exhibitors, we are excited to see what Space Tech Expo has to offer and introduce XMA to the crowds. This year, XMA is featuring some of our products that recently went into orbit, along with our newest cryogenic products and legacy space solutions. We look forward to seeing you at the show!
